49 Novner Dr, Cincinnati OH 45215

The Cincinnati Computer Cooperative (C3), a 501(c) (3) nonprofit organization, partners with local business and individual donors to offer computer recycling and computer reuse programs for Cincinnati.

The staff and volunteers provide an environmentally sound program to divert computer equipment from landfills, while providing low-cost access to technology for schools and qualified individuals under our "Community Access" programs.

The goal is to improve the computer-to-student ratio in schools to prepare students for higher education and career opportunities.
